(b) During the current financial year ending 31.3.92, a total of 1 lakh electronic exchange lines are planned to be added in Delhi. In Bombay, a total of 1,77,500 electronic exchange lines are planned to be added during this financial year 1991-92.

(c) As enclosed in Statement. *(See below),*

(d) No, Sir,

Statement

The department of Telecommunication has formulated draft 8th Five Year Kan (1992-97) for telecom development and by the end of the plan period, it is envisaged to:—

— Provide telephone connections practically on demand in rural area and tribal areas.

— Waiting period for telephone connections not to exceed two years in large telephone systems.

Accordingly expansion programmes are being drawn to provide telephone connections to persons in waiting list in Delhi Kamataka and ether States, progressively during 8th Five Year Plan period.
